**Owner/Graphic Artist** | Evil Eye Candy | Cypress, TX | 2009 - Present

- Create custom graphics and designs to be used in print on shirts, signs, invitations and other media. Provide clients copies of their artwork in various formats so they are free to print at any shop they like.
- Interact with clients over the phone and in person to discuss projects. Often bring sketchbook to meetings or email quick drafts to the client to reassure them that their vision will be executed properly.
- Oversee all designs going out to clients, making any changes necessary to final artwork before color separations go out for print. Work with local print shops to ensure the artwork is in the correct format and can be printed on their equipment.
- Maintain financial records, purchasing and payroll for the operation. Coordinate contractors to ensure clients' deadlines and specifications are met.
- Consulted for an Australian firm and designed characters for an educational TV program/campaign.

**Graphic Artist/Screen Printer** | Graphic Results | Houston, TX | 2007-2009

- Created artwork used in print on shirts, signs, banners, business cards, and promotional items.
- Assisted screen printers with printing of shirts when short staffed, to ensure everything was finished on time.
- Assisted with the fabrication of signs and banners, as well as packing and shipping product to the clients.

**Graphic Artist/Art Director** | Buffalo Specialties | Houston, TX | 2005-2007

- Created artwork used in print on shirts, signs, banners, business cards, and promotional items.
- Oversaw all artwork going out to print to reassure everything was mistake free.

**Graphic Artist/Storyboard Artist/Flash Animator** | CutClass.com-AdMessiah | Houston, TX | 2000-2002

- Created animations to represent clients who bought ad space on the company website.
- Storyboarded animations/scenes to be displayed on screens on the company's virtual room environment advertising clients products.
- Created graphics and banner ads to be used on the company's website.
